ABOUT OUR COLLEGE

In the year 1969, Dr. (Capt) D.V.P. Raja, an ardent young man with full of imagination, vision and mission, came to Madurai from Rajapalayam to create and build an academic institution of high order to develop and mould young men and women and to involve them heart and soul in National Development programme.

With the cooperation and blessings of many nationalistic minded leaders in Madurai, Madurai Institute of Social Work was founded by Dr. (Capt) Raja on Gandhiji Birth Centenary Day, the 2nd Oct 1969, with the meaningful message of “Our Nation Our Home, One Nation One World”.

Madurai Institute of Social Work commenced functioning with a mere handful of 4 students in the beginning, which has grown now like a deeply rooted banyan tree to give shade to more than 1,000 students, who are able to develop their skill and will and thus serve the Society effectively.

Changing educational climate did not deter Dr. Raja's commitment to Professional Social Work for a very long time. In the beginning of 1990, a ray of vision of future leads him to make the institute into a multifaculty research center. A post graduate programme in Human Resource Management, first of its kind in India was started. Madurai Kamaraj University recognized the Institute as a research center to conduct both M.Phil and Ph.D. programmes.

The onset of computers, even in the field of human services, again tilted his vision of future and introduced computer based courses at under graduate and post graduate level in the year 1998. Presently the institution offers two research degrees, four master degrees, seven under graduate degrees and two diploma degrees, admitting around 1,000 students every year. It has become an autonomous college and is Re Accredited with ‘B+’ Grade by NAAC in 2019.
